

MOHAMED MOSTAFA ABDELKADER

Software Engineer

Sharjah, UAE | +971 50 593 4245 | dev.xmuameed@gmail.com | linkedin.com/in/xmuameed | xmuameed.com

Summary

Software Engineer with 4+ years of experience delivering production software for enterprise systems, event management, facility management, and e-commerce across the software development life cycle (SDLC). Builds full-stack applications with React.js, Next.js server-side rendering (SSR) and the App Router, Node.js, NestJS, TypeScript, PostgreSQL, WebSockets (Socket.io), and REST (Representational State Transfer) application programming interfaces (APIs). Shipped 20+ production applications used by 100,000+ users, including a facility management platform for 15,000+ users. Improved configuration efficiency by 40%, cut load times by up to 25%, and grew organic traffic by 20% through performance work and search engine optimization (SEO), with cross-functional Agile teams.

Skills

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3

Frontend: React.js, Next.js (server-side rendering (SSR) and App Router), Tailwind CSS, SCSS (Sass), React Hook Form, Zod, Redux Toolkit and Zustand for state management, Bootstrap, Three.js, responsive web design (HTML and CSS)

Backend: Node.js, NestJS (Nest.js), Express.js, REST APIs, WebSockets (Socket.io), Prisma ORM (object-relational mapping), secure JSON Web Token (JWT) authentication and authorization

Databases: SQL (Structured Query Language) with PostgreSQL and MySQL, MongoDB (NoSQL)

Tools: Git, GitHub (version control), CI/CD (continuous integration and continuous delivery) with GitHub Actions, Vercel, Postman, Figma, Stripe, Tabby, Google Analytics, Meta Pixel, Agile

Spoken languages: Arabic (Native), English (Full professional proficiency)

Experience

Full Stack Developer | Dia Flower Group (Hybrid, Dubai, UAE) | Sep 2025 – Present

- Built the Dia Flower and Luvi Flowers e-commerce platforms with Next.js, NestJS, React.js, PostgreSQL, and Prisma ORM.
- Developed a React.js admin dashboard for products, orders, inventory, and content, so non-technical teams manage the site on their own.
- Integrated third-party Stripe and Tabby payments plus Google Analytics and Meta Pixel, improving search engine optimization (SEO) and application performance.

Full Stack Developer | Forever Group (Hybrid, Dubai, UAE) | 2025 – Present

- Developed enterprise applications for Forever Events and Red Events with React.js, Next.js, and NestJS.
- Built scalable NestJS APIs, authentication, and responsive React.js interfaces for business operations.
- Collaborated with distributed teams to deliver production-ready React.js, Next.js, and NestJS features.

Full Stack Developer | Global Dynamics (Remote, Iraq) | 2025

- Developed full-stack applications with React.js, Node.js, NestJS, Prisma ORM, and PostgreSQL.
- Built real-time dashboards with NestJS and WebSockets (Socket.io), and optimized backend performance for PostgreSQL enterprise systems.

Frontend Developer | Global Lean Industry (GLI), Grwan Group (Remote, UAE) | Mar 2025 – Oct 2025

- Developed enterprise applications with React.js, Next.js, and TypeScript.
- Improved application performance and built reusable user interface (UI) components with Tailwind CSS.

Full Stack Developer | Mark & Success (Remote, Egypt) | Jun 2024 – Oct 2024

- Built full-stack features with React.js, Node.js, NestJS, Express.js, and Prisma ORM.
- Developed RESTful APIs and improved backend performance with NestJS, Express.js, and Prisma ORM.

Frontend Developer | RASID (Hybrid, Cairo, Egypt) | Nov 2023 – Mar 2025

- Developed enterprise-level applications with React.js and Next.js, serving 10+ teams.
- Built a React.js and Next.js facility management platform with real-time reporting, SOS, human resources (HR), and attendance tracking for 15,000+ users.
- Designed a React.js UI customization card builder that improved configuration efficiency by 40%.
- Integrated 3D facility monitoring with Three.js, reducing incident response time.

Education

Bachelor's Degree in Accounting | Cairo University | 2020 – 2024
